EXPERIENCE

Freelance 3D Visualizer – Canada

Dec 2023 – Feb 2026

Worked with various clients from residential developers to architecture firms

- Built exterior and interior 3D models from scratch for residential and commercial architecture projects, handling full pipeline independently.
- Applied advanced texturing, lighting, and shading workflows to produce photorealistic visualizations across varied project typologies.
- Coordinated directly with architects and construction teams to ensure renders accurately reflected design intent and project specifications.

3D Visualizer – Paradigm - India

Dec 2020 – Sep 2023

- Produced photorealistic renders across large-scale residential, commercial, and government projects from concept to final delivery.
- Worked closely with senior architects to interpret briefs and deliver visualizations aligned with project vision and technical specifications.
- Refined existing 3D models through targeted texture, material, and lighting adjustments, improving visual accuracy and reducing revision cycles.

Accounting Office Associate – Walmart - Portage, MB, Canada

Jul 2024 – Jan 2026

- Managed daily financial processing and reconciliation tasks in a high-volume retail environment.
- Maintained accuracy across transactional records and supported cross-functional reporting workflows.
